

Please join us at our forthcoming Branch event at which

Emma Suffield

SLA School Librarian of the Year 2018

will be sharing her experience of winning the SLA School Librarian of the Year award 2018, how the process for the awards as a nominee works to encourage more librarians to be nominated and hopefully ensure another Lancashire Branch member can win in the future!

'I have been Learning Resource Centre manager at Saint Wilfrid's C of E Academy since January 2014 and won SLA School Librarian of the Year 2018 in October which was such an achievement and one that I am extremely proud of.

I love working in a school library setting and promoting reading for pleasure amongst our students as I love reading myself especially, YA, crime and Classics'.
