

SLA London Group Autumn 2018 Meeting

This CPD afternoon was a great chance to network and look around another stunning library! It was:

- Free to attend
- Wednesday 21st November at 2:30pm
- Highgate School, London (N6 4AY)

We discussed the work of [BookTrust](#) with a representative from the Trust.

[BookBuzz](#) and [School Librarian Packs](#) are mainly aimed at KS3 but it was really useful to get the views of primary school librarians because, as you know, there is a huge overlap between the books read by KS2 and Year 7 and 8 students.

Primary school librarians were able to give a great insight into the reading habits of 11 year olds.

It was a great afternoon of discussing with librarian peers and experts from BookTrust. The outline of the session was – 10 minutes: Introduction to the BookTrust and their 6+ programmes; and 50 minutes: 6+ programmes focus group.

Thank you everyone!

*Warm regards,
