

# SLA London Group Spring 2019 Meeting

This CPD afternoon was a great chance to network and look around another modern library!  
It was:

- Free to attend
- Wednesday 06<sup>th</sup> Feb 2019 at 2:30pm
- Wimbledon High School, London (SW19 4AB)

On this occasion, we shared best practice and discuss on how to prepare for Refugees Week as well as how to help ESL (English as a Second Language) students in the library all year round.

## Salisbury World:

*"We work with refugee and migrant families helping children, young people and parents to realise their rights and potential.*

*We're the only school-based refugee charity in the UK so we are uniquely placed to work with whole families.*

*Our work is effective because our services are joined up to provide integrated educational, social and practical support."*

It was a great afternoon of discussing with librarian peers and Sarah Reynolds, Director at Salisbury World Refugee Support, networking, drinking tea and eating cake!

*Thank you everyone!*
